RECOMMENDATION

That the following recommendation be enacted.

Install motion sensor trail cameras in city parks to help decrease crime and drug activity and increase the family friendly nature of a city park.

Proposal

Program/Project Title: Safe Cam Program

Amount of City Funding Required: \$51,098

Fund Type (i.e. General Fund, C&C funds, etc.): General Fund

Proposal Description, including anticipated outcomes (describe how change would affect services for San José residents, businesses, community groups, etc.):

Install motion sensor trail cameras in city parks to help decrease crime and drug activity and increase the family friendly nature of our city parks. By installing trail cameras, which are motion activated and record still pictures within city parks, illegal day and night activity could be recorded for use by our police department to identify suspects and lead to increased ability to catch and prosecute criminals.
